

UK Athletics Awards Dinner 2007

Supported by Heidsieck & Co Monopole

23 October 2007

It gives me great pleasure to invite you to join us at the **UK Athletics Awards Dinner**, at the National Motorcycle Museum, Birmingham, on Saturday 1 December. This is a fantastic opportunity for us all to celebrate and recognise the contribution of so many people across the sport.

Since the end of the summer, UK Athletics, in partnership with England Athletics, Scottish Athletics, Welsh Athletics and the Northern Ireland Athletics Federation have held a series of regional and national award presentations. The UK Athletics Awards Dinner is the finale to this process with regional and home country winners entered for UK-wide awards in a variety of categories including coaches, officials, volunteers, clubs and partnerships. There will also be a number of other awards, including Athlete of the Year.

The Awards, supported by Heidsieck & Co Monopole champagne, will be presented by Olympic Gold medallist Darren Campbell and the evening will be hosted by Olympic medallist and broadcaster Katharine Merry. A Norwich Union Great Britain & Northern Ireland team athlete - past or present – will join every table and a celebrity guest speaker, live music and a sports quiz will be included as part of the evening's entertainment.

Places cost just £30 per person, this includes a four-course meal, champagne and car parking. Tables of 10 can be booked at a discounted rate of £275 or £250 if the booking is made by 8 November.

To book your places for the Awards Dinner simply complete the enclosed application form and return to the address shown. Any queries regarding the evening can be made to Graham Doughty on 0121 713 8498 or gdoughty@ukathletics.org.uk

On receipt of your booking form and payment you will be sent an acknowledgement, programme and location details.

Should you require accommodation this can be booked with WGT Sport on 0121 506 9156.

I look forward to seeing as many of you as possible on the evening as we reflect and celebrate the past twelve months and look ahead to an Olympic year.

Regards

Ed Warner
Chairman
